

PRECISION  
IN STEEL,  
EXCELLENCE  
IN DESIGN

Company Profile

## MESSAGE FROM THE CEO

At Senator Group, we believe that great spaces begin with a vision—and are brought to life through precision, innovation, and unwavering commitment to quality.

Since our founding in 2013, we've built a reputation as Oman's trusted partner for **seamless integration of steel structures and interior craftsmanship**. Whether it's the bold elegance of a steel staircase, the durability of architectural cladding, or the refined touch of custom carpentry, our teams at **Senator Steel** and **Senator Design** work tirelessly to turn your ideas into enduring realities.

What sets us apart?

- **Engineering Excellence:** Every steel component is engineered for strength and aesthetics.
- **Artisan Detail:** Our designers treat every space as a unique canvas.
- **Local Insight:** As a Muscat-based team, we understand the needs of Oman's evolving landscape.

To our clients, partners, and team:  
Thank you for trusting us to build the extraordinary. We look forward to shaping the future—one project at a time.

Sincerely,

**MUNDHR HAMED YAHMADI**  
CEO, Senator Group

*Precision in Steel,  
Excellence in Design*

## ABOUT SENATOR GROUP

Senator Group is a Muscat-based leader in integrated construction solutions, specializing in steel structures and interior design execution. Through our two dedicated divisions, we deliver end-to-end excellence for commercial, residential, and industrial projects across Oman.

## OUR DIVISIONS

### SENATOR STEEL

- Specialists in structural steel staircases, architectural cladding systems, and glass installations
- Combining engineering rigor with aesthetic precision for iconic builds

### SENATOR DESIGN

- Masters of custom carpentry, gypsum works, and interior fit-outs
- Transforming spaces through innovative design and flawless execution

## WHY CHOOSE US?

### OMAN-BASED EXPERTISE

Local knowledge with international standards

### TURNKEY SOLUTIONS

From structural framework to final finishes

### QUALITY ASSURANCE

Premium materials paired with exacting craftsmanship

### CLIENT-CENTRIC APPROACH

Collaborative processes tailored to your vision

Since 2013, we've built our reputation on projects that stand the test of time - where structural integrity meets design excellence.

## OUR PROMISE

To deliver spaces that inspire, engineered to endure.

## WHY SENATOR GROUP?

### UNMATCHED DUAL EXPERTISE

We bridge the gap between structural engineering and interior artistry through our specialized divisions:

- **Senator Steel:** Precision-crafted steel structures that combine safety with striking design
- **Senator Design:** Bespoke interiors where functionality meets aesthetic vision

### OMAN-BUILT, GLOBALLY INSPIRED

- Localized solutions tailored to Oman's climate and architectural needs
- International-quality standards in every project

### ENGINEERING EXCELLENCE

- Steel staircases engineered for safety + visual impact
- High-performance cladding systems built to withstand extreme conditions
- Glass integrations that enhance light and space

### DESIGN THAT DELIVERS

- Carpentry and gypsum works executed with artisan precision
- Seamless coordination between structural and interior teams
- Custom solutions for unique spatial challenges

### CLIENT-FIRST PARTNERSHIP

- Collaborative approach from concept to completion
- Transparent timelines and budgets
- 360° project support

## Interior Design

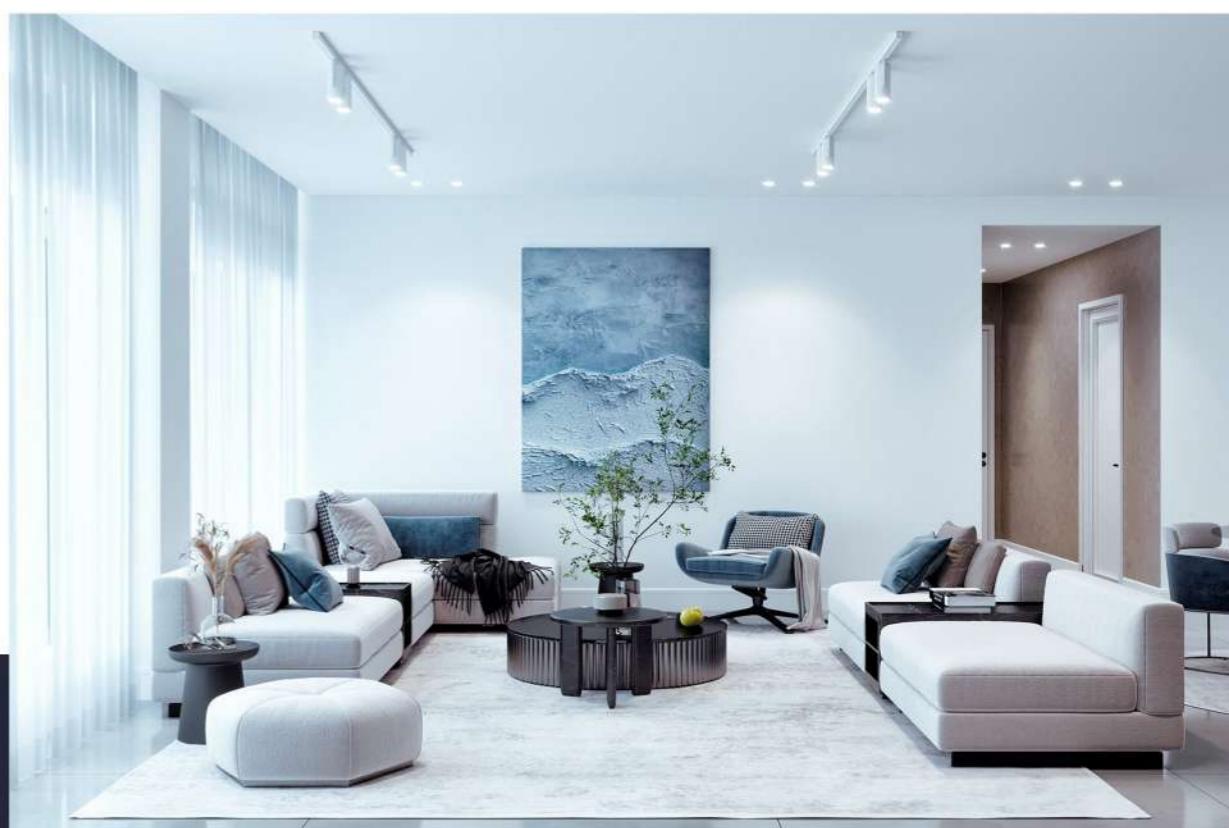

Specialized in modern, minimalist, and functional spaces.

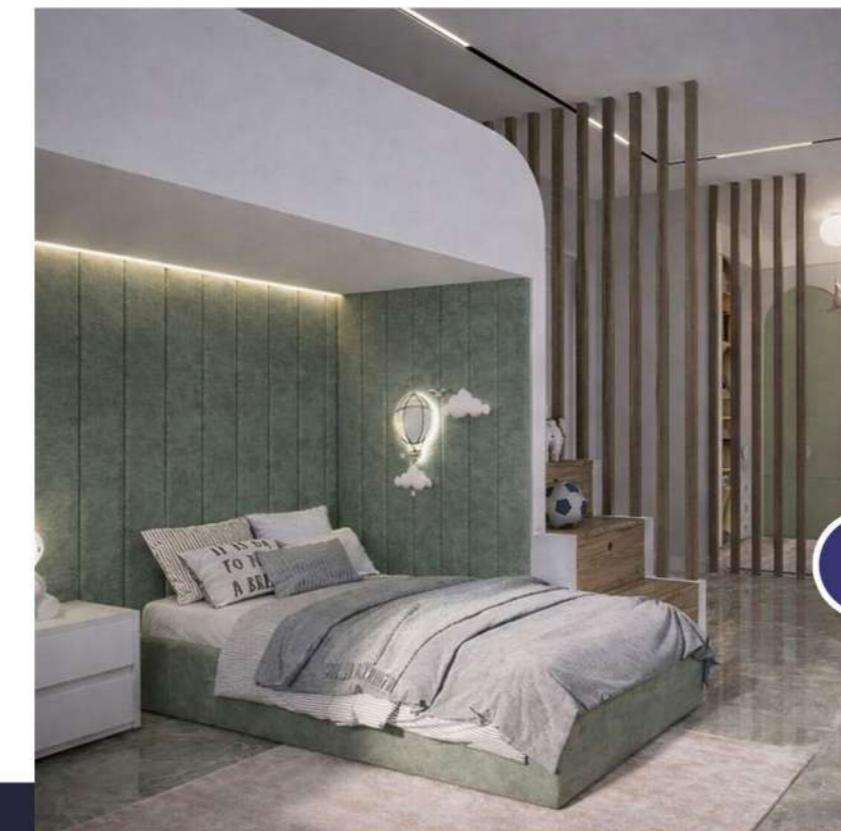

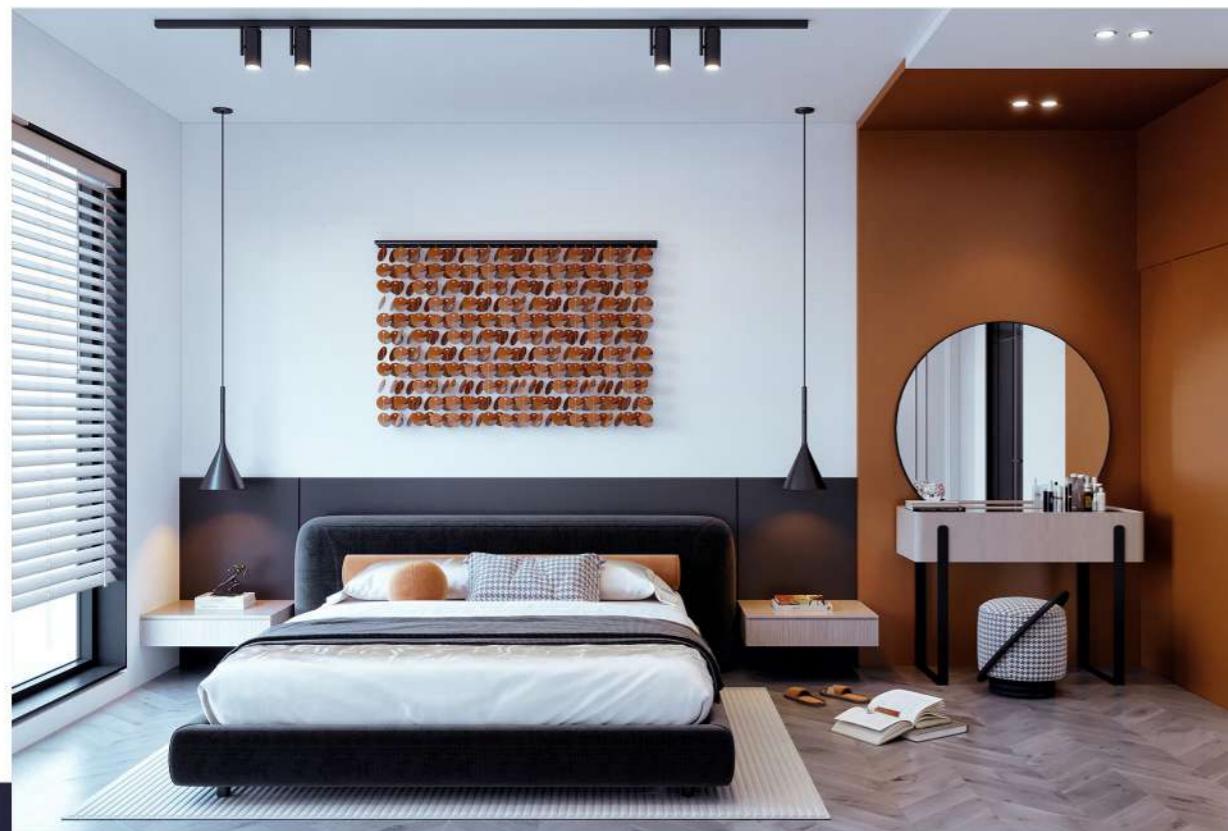

This portfolio is a curated selection of our work that reflects our design philosophy and aesthetic vision.

## Living Room Design

Contemporary Urban Living  
Clean lines, monochromatic palette, and accent lighting offer a modern yet inviting environment ideal for city life.

## Bedroom Interior

Combining modern symmetry with cozy materials for a refined yet intimate atmosphere.

## Boutique & Beauty Salon Interior Design

We design refined, experience-driven interiors for boutiques and beauty salons, where aesthetics, functionality, and brand identity come together seamlessly.

Through soft color palettes, sculptural forms, and strategic lighting, we enhance product presentation and create inviting spaces that elevate the customer experience.

Each design is carefully curated to reflect the brand's personality, guide customer flow, and create a memorable visual journey transforming retail and beauty spaces into distinctive lifestyle environments.

# OUR FACTORY

Aluminum - Glass - Steel - Carpentry

Our factories are located in Muscat and Barka

## OUR PRODUCTS

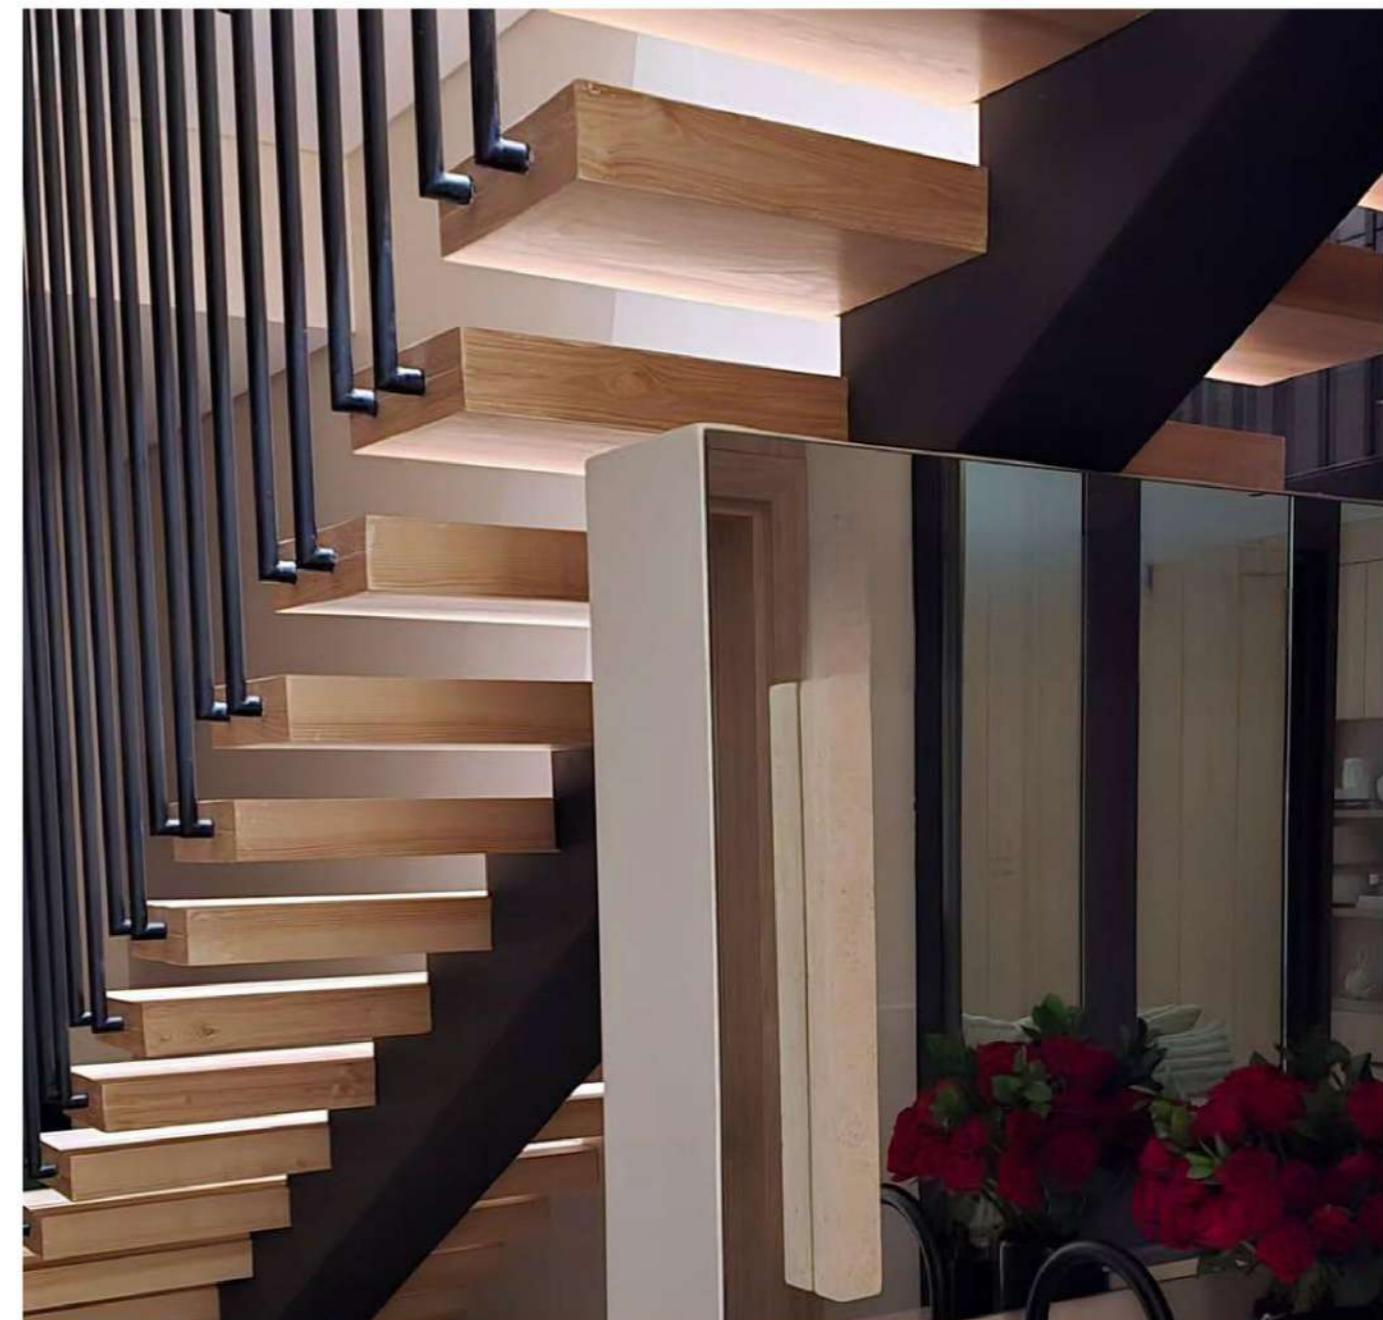

## STAIRCASE

Where traditional cement staircases merely function, our steel staircases redefine spaces—offering sleek, floating elegance without compromising structural integrity, transforming utilitarian passageways into sculptural statements of luxury and safety

### TYPES OF STAIRCASES

#### FLIGHT MONO

With a wood or metal cap rail, absolutely zero hardware is visible

Hidden fasteners and Starphire glass accentuate the natural beauty of the treads

Glass is structurally integrated into the stairs, using our proprietary hardware

End caps make the glass look like it's slicing through the treads.

## FLIGHT WINGS

## FLIGHT STACK

Closed Riser Design

Vedera Glass Railing

Two Hidden Stringers

Multiple Configurations  
Installation Available

## FLIGHT CANTILEVER

Open Riser Design

Vedera Glass Railing

No Visible Stringer

LED Compatible

Installation Available

CURVED STAIRCASE

HELICAL STAIRCASE

## HANDRAILS

### SPIRAL STAIRCASE

Helical Wood  
Treads

Simple,  
Modular Kit

Sturdy, No-  
Wobble Design

LED  
Integration

Certified  
Installation  
Available

### GLASS HANDRAIL

POSTS

Industry  
standard for  
glass railing.

PINS

Sleek and  
surprisingly  
strong.

BASE RAIL

Our strongest  
frameless  
system.

TALONS

Minimal work.  
Minimalist feel.

CURVED GLASS

STAINLESS STEEL

WOOD HANDRAIL

METAL HANDRAIL

## SOME OF OUR CLIENTS

# WE DON'T JUST BUILD SPACES – WE ENGINEER EXPERIENCES.

At Senator Group, we believe exceptional spaces are born where engineering precision meets design passion. From the bold structural statements of our steel staircases to the refined artistry of our interiors, every project reflects our commitment to quality, innovation, and client trust.

As an Oman-rooted team with a global outlook, we invite you to experience the Senator difference—where spaces don't just function, but inspire.

**LET'S BUILD  
THE EXTRAORDINARY, TOGETHER.**
